Oct. 9 – Pro-Life Mass

Oct. 24–Major Degree
St. Cecilia Parish Hall

While driving to work I reflected on the Communion Dinner Mass held August 28th. These events give us the opportunity to attend Mass as a group of friends with the same religious convictions with the bonus of a great dinner and camaraderie following. **Who plans all this and makes these events possible?** Answer—Steve Cauble, our Chancellor who has been in charge of these masses as long as I can remember. He has been doing it even before I was Grand Knight the first time in 1998-99. Not only does he do this as Chancellor, he is also Church Director, an Honor Guard participant and makes arrangements for our annual Christmas visits to the Catholic Children’s Home in Alton. He works multiple bingos monthly and is President of Holy Family Men’s Club. A fine Catholic gentleman and what I call a “Silent” Knight. He doesn’t make a lot of noise doing things; he just gets it done and does a fine job doing it.

I would also like to highlight all the work our Fifth degree does for us maintaining our facility. They save us a great deal of money and keep things looking good and running smoothly. I work during the week and don’t get to spend much time with them but there is one name I hear frequently. To be quite honest I don’t know this person as well as most but have come to realize he is another Silent Knight. He uses his time, talent and

treasure as a master plumber doing multiple projects around the hall saving us a ton of money. His name is Dave Degonia.

The two aforementioned gentlemen are just two of many Silent Knights we have at Council 1098. Next time you have the opportunity, tell them, and all our 5th degree guys, you appreciate their efforts.

Thanks to Brian Kelly and Joe Schuler for co-chairing the Labor Day parade and Alan Schuler for the tasty lunch we enjoyed afterwards. Parade participants and bystanders all had a great time and the weather was perfect. We have a repeat event planned in November when we welcome Santa to Granite City.

We had another successful family picnic with a sizable attendance. This was due to the efforts of many Knights and Ladies to numerous to mention.

Our next family event will be the Halloween Party October 23rd. The signup sheet is posted in the Council room and will be removed after the Fourth Degree meeting October 19th, so please sign up by then. Hope to see you there.

Sincerely,

John Haug, Sr.

From the Faithful Navigator

Once again we were called to bid farewell to one of our Brothers. Sir Knight Vincent Ashal was called home. Thank you to the 12 Sir Knights for standing Honor Guard and doing the Chalice Service at his Wake Service.

The welcoming Mass at Edwardsville for Bishop Paprocki was a beautiful event. We had 10 Sir Knights in Regalia along with 40 Sir Knights from other Assemblies throughout the Alton Deanery. I understand the Bishop and his Clergy were happy with the service.

Speaking of Pride!!!! We had one Sir Knight in Regalia with our float in the Labor Day Parade. He was not just with us but he walked in front of the float from the start of the parade all the way to Wilson Park. Thank you Sir Knight Kenneth Atkins!! This is an example of why the 4th Degree is known as the visible arm of the Knights of Columbus.

The annual picnic has come and gone. It was not what we were used to but it made for a good day with family and Brother Knights and their families.

I received notice there will be an Exemplification on November 6, 2010 at Peoria. If anyone is interested let me know soon so I can make the reservations. Seems as though all of our candidates are wanting to wait and take the 4th Degree on March 5, 2011 at Our Lady of Snows Shrine.

We now have 4th Degree Bingo Team Captains for all four Sunday nights. Joe Schuler will take the first Sunday; Bill Rotter and Ed Gray will Co-Captain the second Sunday; Bob Palus has the Softball team on the third Sunday; and Steve Cauble has the fourth Sunday. Please share your time with them and give them the same co-operation that the Team Captains get on Friday nights.

No donations over \$500 to be voted on October 19th.

37 Years to Long

"There is a big difference between the choice to have a child and the choice to kill a child. Because abortion kills a child who already exists, it is in no way a "right."
